

## Make sure you know your evacuation zone.

Do you know what evacuation zone your home is in? Make sure you do! That way, if a bad storm hits, you'll know if you should stay or if you need to leave to find a safer place!

**To find out your zone, go to [KnowYourZoneVa.org](http://KnowYourZoneVa.org) and enter your address.** Fill out this form showing where your zone is, bring it to your teacher, and you'll get a free sticker!

Be sure to tell your parents or guardians where your zone is, too!

My zone is: \_\_\_\_\_

Name: \_\_\_\_\_

School: \_\_\_\_\_
